Block By Block Neighborhoods And

In Block by Block, Amanda I. Seligman examines the responses of whites in the West Side communities of Chicago to the racial transformation occurring in their neighborhoods in the decades following World War II. Seligman's account illuminates that deterioration in these areas in fact began long before the color of their inhabitants changed from white to black.

House by House, Block by Block provides a kind of "organizational chart" of how neighborhoods change in different circumstances. Each case study is centered on the people in the neighborhoods who make and are affected by revitalization. Von Hoffman's use of storytelling entices readers, pulls them into the situation, and personalizes each cast study.
