### Craftsman 536 7975 Users Manual

As a result Sears bought the rights to use the name "craftsman" for its products for \$500. Early customers of Craftsman tools were farmers who preferred to build their homes, barns, furniture etc. with their own hands. That was a good area for Craftsman to start successfully in the years of difficult economic situation in the USA in the 1930s.

By Matt Hawkins If you purchased your Craftsman snowblower from a retail outlet such as Sears (the manufacturer of Craftsman brand products), an owner's manual should have been included with it. On the other hand, if you purchased it used from another source, the manual may very well not have been included with the snowblower.
