Aims. The course presents and debates the various interactions within and among world-regions. With a special focus on the processes underpinning or challenging (inter)regional connections and cooperation, the sessions in this course will cover multiple dimensions of regional exchanges (political, security, economics and trade, social, and environmental) in historical and present-day perspectives.

Regionalism, Inter-regionalism and the European Union - KU ...

A new look at the European Union's role as a global actor, with special focus on the theme of interregionalism in its relations with key regions around the world: Africa, Asia, South America, North America and Central-Eastern Europe. This new collection clearly shows how, since the end of the Cold War, the European Union has gradually expanded its external relations and foreign policies and become a global actor in world politics.

The European Union and Interregionalism eBook by Mathew ...

Looking at EU-EAC negotiations, from the 1980s the EU has evolved as a major funder of regional integration and development in East Africa under the EDF (EU 2008b). Up until today, facilitating commercial integration, besides EPAs, has dominated EU's promotion of regionalism (Theron and Ntasano 2014).

EU-Africa

European initiatives. European regionalism took a concrete form during the late 1940s. The treaty establishing the Benelux Customs Union was signed in 1944 by the governments in exile of Belgium, Netherlands and Luxembourg in London, and entered into force in 1947.

Regionalism (international relations) - Wikipedia

This article examines the types of region-to-region dialogue evident in relations among the states of the European Union and East Asia, with a particular focus on ASEM and the EU-ASEAN dialogue. It examines how the EU utilizes interregionalism as one mechanism for managing economic and political relations with a growing yet disparate region.
