-And there`s the thinly disguised "roman a clef" of a U.S. Administration, involved in money laundering and rife with corruption; it`s ineffective and harebrained efforts, including inhumane treatment of immigrants, to try and stem the flow of drugs across the Border. This is a book as current as today`s news, must reading not only for Realists and blind eye Trumper, but for everyone concerned with the drug, criminal and political world of today.
