### Pen And Sword American War

Pen and Sword: American War Correspondents, 1898-1975 situates war correspondence within the larger framework of the history of the printing press to make perceptive new points about the nature of journalism and censorship, the institution of the press as a source of organized dissent, and the relationship between the press and the military. Fostering a deeper understanding of the occupational culture of war correspondents who have accompanied soldiers into battle, Mander offers interpretive ...

About the Author This is the incredible story of a Second World War shoot-out between black and white American soldiers in a quiet Cornish town that ended up putting the 'special relationship' itself on trial. The subsequent court martial into what tabloids labelled a 'wild west' mutiny became front page news in Great Britain and the USA.

### Pen & Sword

Paul Chrystal has written the first full length study of women and warfare in the Graeco Roman world. Although the conduct of war was generally monopolized by men, there were plenty of exceptions with women directly involved in its direction and even as combatants, Artemisia, Olympias, Cleopatra and Agrippina the Elder being famous examples.
