The Imago Sequence and Other Stories is a collection of short stories by Laird Barron. This is Laird Barron's first short story collection and the fifth book of his I've read this year. I'm running out of ways to praise the man who has infected my brain like some kind of alien parasite. Nine stories of sanity-blasting cosmic horror haunt its pages.

## **The Imago Sequence: and Other Stories: Barron, Laird ...**

\* "The Imago Sequence," another of my favorites and probably the creepiest of them all, has as its main character a noir-type protagonist who is hired to find out what happened to someone who went missing, and to find two of a set of three photographs that taken together are known as the Imago Sequence. The first one strikes some inner chord that is disturbing enough to the protagonist that he has to see the others, especially the last one.

My favorites, which include Hallucigenia, Parallax, Old Virginia, Hour of the Cyclops, and The Imago Sequence provide thrills that far exceeded my expectations, I thought that stories like Procession of the Black Sloth, Proboscis, and Bulldozer were convoluted and ...

## **The Imago Sequence by Laird Barron | Audiobook | Audible.com**

The Imago Sequence, his first collection, is a great place to start.--Buzzfeed "Laird Barron is one of those writers who makes other writers want to break their pencils. I'm serious. His work is that good. Worse than that, he's an original (damn him!), and the finest writer to join the ranks of the dark fantastic in a long, long time."

Barron's debut collection, *The Imago Sequence & Other Stories*, was published in 2007 by Night Shade Books. He has stated his affection for pulp fiction, westerns, and noir, and his work typically combines one or more of these elements with a horrific or weird supernatural intrusion. Barron has referred to the Bible and the *Necronomicon* as "the greatest horror stories ever told."

## Laird Barron - Wikipedia

A tough guy who specializes in "collections" is hired by a longtime associate to track down two other images that will complete a creepy and mysterious trio of paintings or photographs called *The Imago Sequence*. As he investigates, the protagonists quickly stumble into something far worse.

\* "*The Imago Sequence*," another of my favorites and probably the creepiest of them all, has as its main character a noir-type protagonist who is hired to find out what happened to someone who went missing, and to find two of a set of three photographs that taken together are known as the *Imago Sequence*.

## The Imago Sequence - Walmart.com - Walmart.com

The collection is called, "*The Imago Sequence*," and the final story bears the same title. This is fitting, as this title tale represents the preceding stories as a sort of triptych, if you will. Mr. Barron has one essential theme in this book and the one other of his books that I have read, his novel, "*The Darkness is the Light*."
