Ordered this Yamaha basic outboard motor cover for my 50 HP Yamaha motor; am extremely pleased w/the color, shape, and fit. First one I ordered exactly for a 50, and it wouldn't even begin to fit...way too small; so I ordered up the 2nd time, (to fit a 80-100) and it is a super fit; covers the entire motor, wires, etc., doesn't flap in the wind at all; it's perfect.
